Fall

UPPER LEFT, Snake dancing at the first Homecoming bonfire, Lincoln students felt an excitement that will never be forgotten.

LEFT, sophomore biology students on their first field trip in Silver Creek park inspect various members of the culicidae family.

As a gala publicity stunt, the Manitou staff showered the student body with balloons dropped from the tower window to announce the opening of the Fall contest.

Events Introduce Your Year

YOU'RE sitting in your biology class looking out onto the lake while the rest of the class is identifying their twigs and lateral buds. A car-ferry in the distance catches your eye.

The same car-ferry has captured the attention of the girl in the library, rewriting her first English theme for the new term. And up in the trig room the senior boy forgets about his slide rule and complicated equations and watches almost wistfully.

This lake is as much a part of Lincoln as the study hall teacher, history assignments and Monday mornings. For it isn't just the biology student, or the senior boy with his slide rule or the girl in the library. Indirectly it's you, who lets your mind wander to the window and the lake outside.

How often have you walked down there and kicked off your shoes and tried to relax during your noon hour and then raced back only in time for a tardy slip. How often have you eaten your lunch there and then tried to read "The Rhyme of the Ancient Mariner" thinking you were in the proper setting. And somehow you seem to feel that it's your lake. Your own special lake for your own daydreams.

UPPER RIGHT, College Day, 1956, meant a chance to learn about the schools of your choice.

RIGHT, Fourth of July fireworks over the Lake Michigan shoreline symbolizes the liveliness in your days at Lincoln.

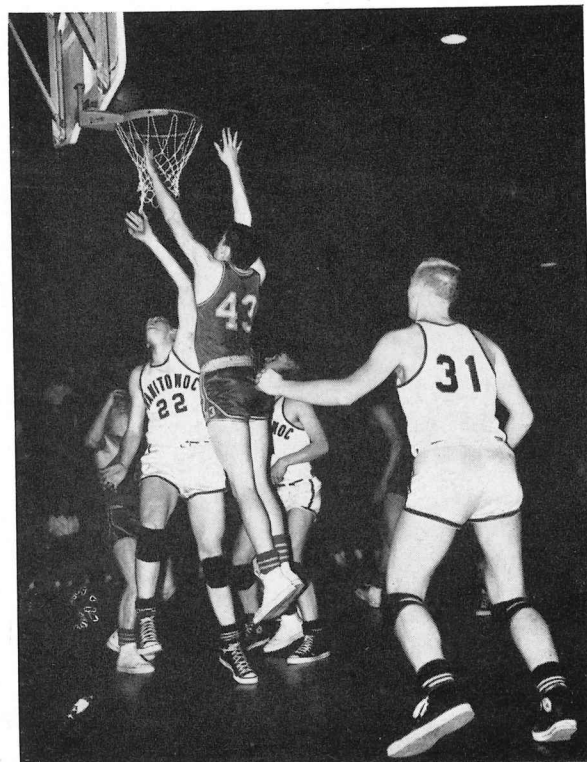

Snow, Winterized Lockers and Cafe

WITH MANTY located on the shores of Lake Michigan we find ourselves constantly exposed to snow, cold weather and icy winds throughout a typical winter.

To Lincolniters, this season means endless cafeteria lines, snowballs, colds, and lockers winterized with boots, mittens, warm coats, earmuffs, scarfs . . . It may mean tryouts for "Our Town" or a trip to Little Rock, or preparation for the Mid-winter concert. It may mean a successful Red-White day or the completion of a term paper or the tension of meeting Flashes, Flambeau, or Manitou deadlines.

Around midsemester exam time you've wished that time would pass a little bit faster. And somehow it does, turning winter and its activities into just memories.

ABOVE — Friday night's activity — the basketball game. It meant activity tickets; "fight team fight"; the final buzzer climaxed with cokes, fish sandwiches and crowded drive-ins.

LEFT — Snow was something new and exciting to Little Rock exchangees as a few of them demonstrated with a "free-for-all" in the bowl during the lunch hour.

Lines

TOP — Winter and Lake Michigan combine for a really scenic picture snapped from the shoreline near Lincoln.

ABOVE — During midsemester exams the library study rooms were always filled, but no one studied all the time.

LEFT — Senior Red-White day workers drop their preparations and pause to smile for the school photographer.

Lightweight Jackets,

SOON AFTER the dribbling months of basketball and the completion of term papers comes the season dear to the hearts of all students . . . Spring!

Spring is Prom, date day, dancing 'till dawn with that special somebody, and flowers pressed between the pages of encyclopedia volumes.

Spring is warm weather, grass fresh and green growing in the bowl, "Let's hold class outside today", and a farewell to wool skirts, orlon sweaters and heavy winter jackets.

Familiar words around school during these months are "Batter up!", "15-love, your serve", "Fore!" and the shot of a gun down on the track field.

Flambeau day and spring are synonymous. Listening to comments at the library while you sign Flambeaus, you're bound to hear, "There's that Pep club picture. Don't I look awful?" "Remember the fall play? I'll never forget the fun I had that night!" "Say, didn't we have a terrific football team this year? Never realized 'til now . . ." That night, you relive your entire past year in a few hours.

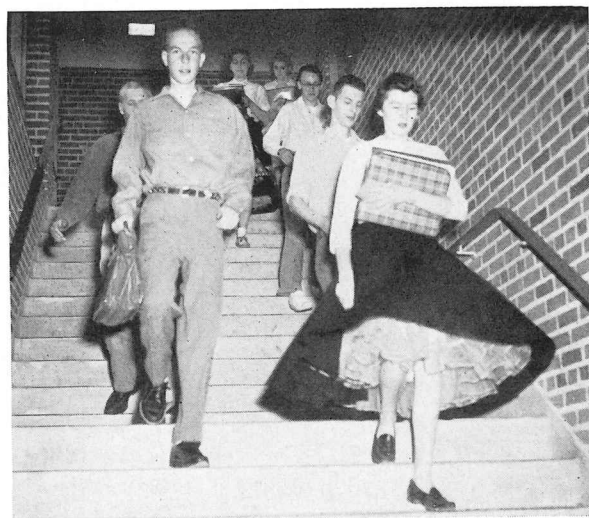

And then comes graduation. It's yards of white tulle and pink chiffon, fresh flowers and potted palms, a warm and shining sun and a refreshing lake breeze. This, then, is graduation and spring.

TOP—Spring fever persuaded three daring girls to cut classes and also turned a young man's fancy.

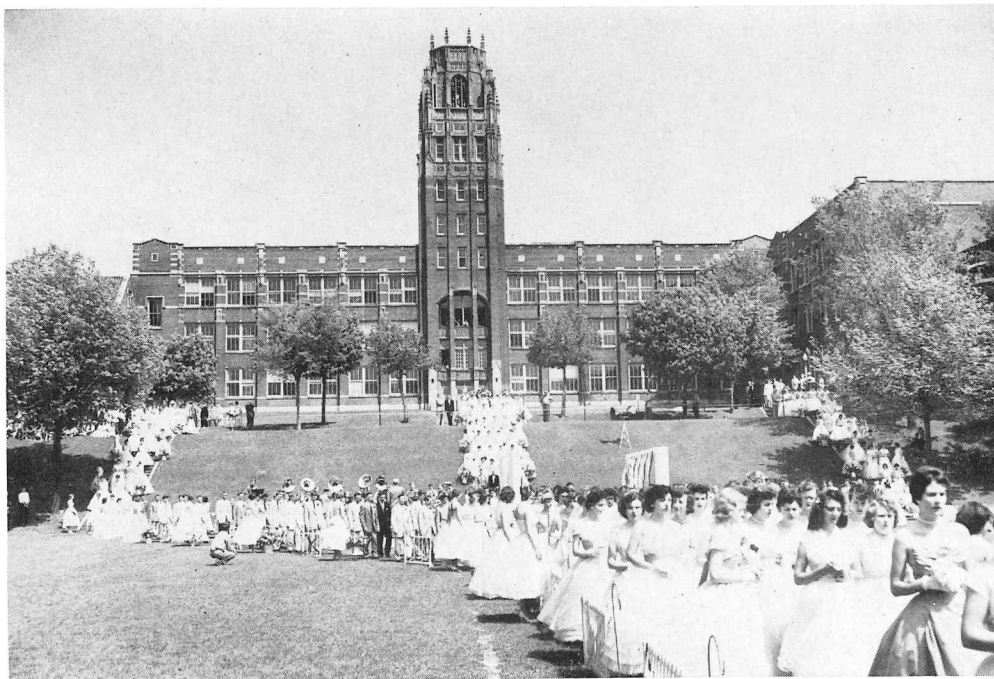

ABOVE—People were found signing Flambeaus in all places, at all times.

RIGHT—How typically spring! Full skirts and layers upon layers of crinoline slips.

and Full Skirts Usher in Spring

Climaxing your year at Lincoln is the traditional Commencement ceremony held on the first Wednesday in June in the bowl.

Highlight of the social event of the year, the Junior Prom, is the crowning of the Queen during the intermission.

Phy. Ed. classes are frequently held outside during the spring of the year.

With Honor

STUDENT COUNCIL, with Mr. Edwin Erickson as adviser, did many things to better Lincoln throughout the school year.

Meeting during the first hour on Tuesdays, the council organized the selling of activity tickets, planned the Homecoming dance, as well as the queen's election, also took charge of the lost and found and arranged the parade for the Little Rock exchange students.

This fall a big project of the council was sponsoring the Litter-Bug Campaign. Limerick and poster contests were held and cash awards were given to the winners. As a result of this campaign two waste containers are now on Eighth street.

A SPRING JOB of the council is planning Orientation day. It is the day when incoming freshmen visit Lincoln.

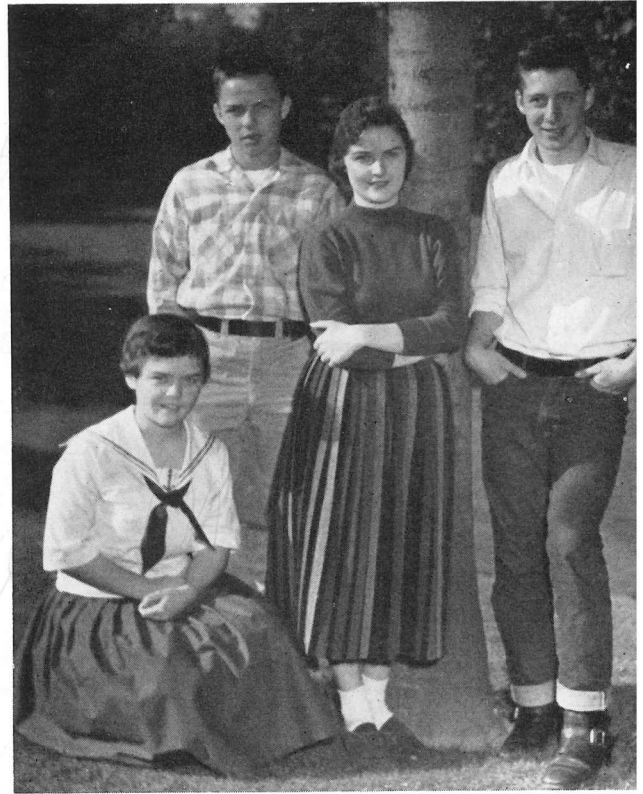

Hall traffic ushers who were picked by the student council had posts throughout the halls whenever students went to the auditorium.

Social functions in which the council participated were arranging the Midsemester dance which is held in honor of the exchange students and helping the service organizations of the city plan the Post-Prom Party at the armory.

Sophomores Learning Through Experience

STUDENT COUNCIL members are selected through their homerooms by homeroom members. Members' duties in the homerooms are giving the weekly council report and on Monday selling stamps and bonds.

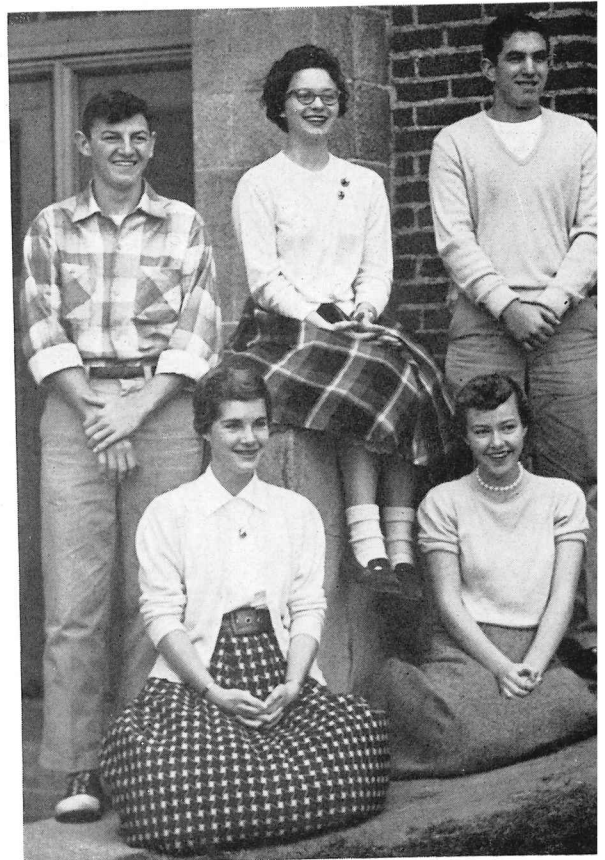

Lyceums for the next school year are picked by a committee chosen from the student council. March of Dimes campaign as well as handing out certificates, is also handled through council.

Through the council students can take part in the running and functioning of Lincoln High school.

Publications Are Their Pride

AS A REWARD for outstanding work on any of the three high school publications, *Flambeau*, *Flashes*, and *Manitou*, students are chosen for Quill and Scroll membership. Quill and Scroll is the international honor society for high school journalists. Its purpose is to encourage and reward individual achievement in the field of journalism. To become a member, students must rank in the upper third of their class, be chosen by the members already in Quill and Scroll and be recommended by Miss Dorothy Crain, adviser.

Members are taken in during an official candlelight initiation ceremony in February and in May.

REPRESENTING Lincoln at Badger Boys State last June were seven senior boys. This camp was held for a week at Ripon college and taught the boys good leadership, good citizenship and the principles and workings of our government. Badger Boys were selected by the faculty and were sponsored by city organizations and local service clubs.

These Rate High

RECEIVING double honors this year was Mary Weber. She was elected Badger Girl by the faculty to represent Lincoln at the Badger Girls State and was chosen DAR Girl by seniors. She was also chosen governor at Badger Girls State and represented Wisconsin at Girls Nation in Washington D. C. Mary is active in many other activities. She is editor of the Lincoln Log, president of speech leaders, and the senior ushers club, belongs to National Honor and is an active stage crew member.

David Lewis

DAVID LEWIS won the qualifying test of the National Merit Scholarship program. This test was taken all over the U. S. by high school seniors. If a student passes he is able to take the final test which offers large scholarship rewards to those who qualify.

IN THE first issue of the Manitou, the staff brought to Lincoln a glimpse of Ancient Egypt, land of the mystical Sphinx, in all its golden splendor. The magazine, which came out in early February, was judged by a committee of teachers under the direction of Mr. James Magill.

The second Manitou came out in May and was judged by the students. Prizes of \$3.00 and \$2.00 were awarded to the winning writers.

The Manitou provides an excellent opportunity for students to express their creative ideas in writing. The staff worked constantly to give to the students and faculty the best magazine they could possibly produce.

Memories and Ideas

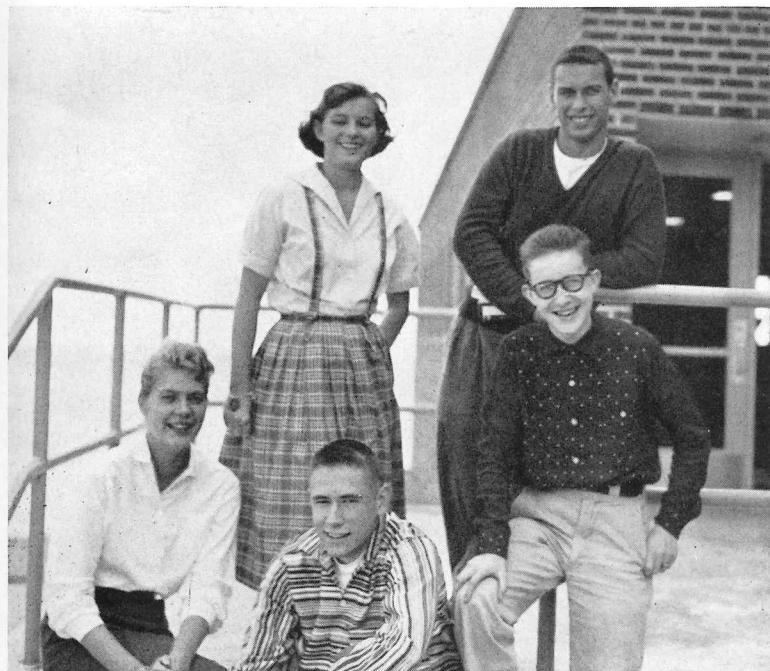

"**L**INCOLN ON THE LAKE" was chosen as the theme of your 1957 Flambeau because of the school's unusual and beautiful setting on Lake Michigan.

The staff worked steadily from Labor day to May planning and making layouts, taking pictures and writing copy in order to record the activities and memories of your school year.

The staff gives you your 1957 Flambeau hoping you like it and hoping it will be another All-American book.

Staffs Report

WORKING HARD to put out a bi-weekly paper, which would meet the needs of all the students, kept the Flashes staff and student reporters busy throughout the past school year.

The purpose of the paper is to keep the students informed of the school's activities and to promote school spirit.

Staff members worked hard at their jobs trying to put out a good paper. The efforts were rewarded when they received a First Class honor rating from the National Scholastic Press association in Minneapolis for their first semester paper.

News of the School

BBROADCASTING from the new Log room, the Lincoln Log goes on the air Saturday at 10:15 a. m. over Radio Station WOMT.

The staff meets every Thursday to plan and tape interviews. This year a new tape recorder and two new microphones helped them to do a better job.

By recording from "the classroom of the week", interviewing students and teachers and reporting the coming events the staff gives the community an "on the spot" depiction of Lincoln.

THE DARKROOM is a very busy place. Ask any photographer. Besides developing pictures they eat their lunches, do their homework and sleep.

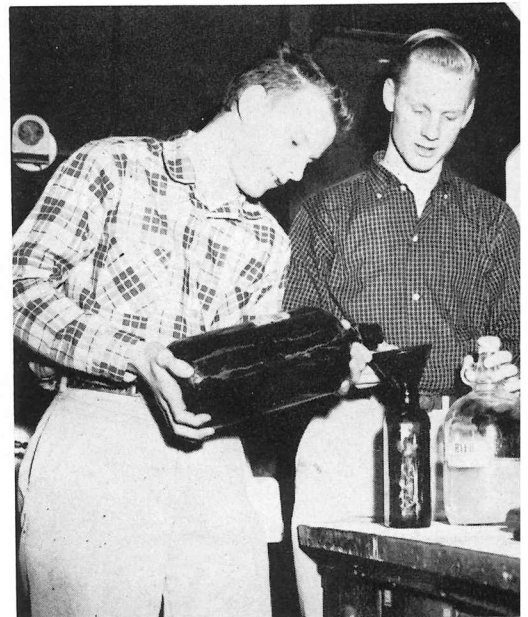

A boy may join the photography staff in his sophomore year. It is an independent staff and they elect their own heads. This year there were sixteen boys on the staff and they elected Howard Oestreich as head photographer and Don Gollata as senior in charge of the darkroom work.

Sophomore and junior boys are taught how to take, develop, enlarge and crop pictures by the senior staff members. In this way they are prepared to take over as the photographers for the Flambeau and Flashe staffs in their senior year.

the Scenes

LITTLE WOULD our dramatics department have without the help and co-operation of the stage crew and auditorium committee. Under the direction of Mr. George Kanzelberger, technical director, the stage crew sets the stage and handles the lighting for all productions.

Another section of the dramatic department is the auditorium committee, which sees that the business matters for the dramatic productions function smoothly. Due to the illness of Mr. John Stevenson, the girls were assisted by Miss Lucille Gaedke, Mrs. John Primm, and Mr. Frank A. Novitski, Lincoln teachers.

Students in

"A CONNECTICUT YANKEE in King Arthur's Court", the 1956 fall play, was presented in the new auditorium October 18 and 20. The play, written by Mark Twain and adapted by John Fuller, was directed by Frank A. Novitski.

The setting was a great hall of a majestic old castle in Camelot of Medieval England. Strange things happened when a 20th century chemical engineer paid a visit on King Arthur and his merrie court.

Participants, in order of appearance, were James Chermak as Henry Bennett, Susan Park as Marion Bennett, Beverly Trombla as Mrs. Bennett, John Vogel as Merlin, David McLaughlin as King Arthur, Emily Hagen as Queen Guinevere, Allen King as Clarence, Barbara Rugowski as Elaine, Gerald Strebel as Sir Sagramor, Nancy Novy as Sandy, Earl Kreisa as Launcelot, and Darlene Duenkel as Queer Morgan LeFay.

the Spotlight

THIS YEAR Lincoln's Forensic Society offered two new clubs to students interested in the different types of speaking.

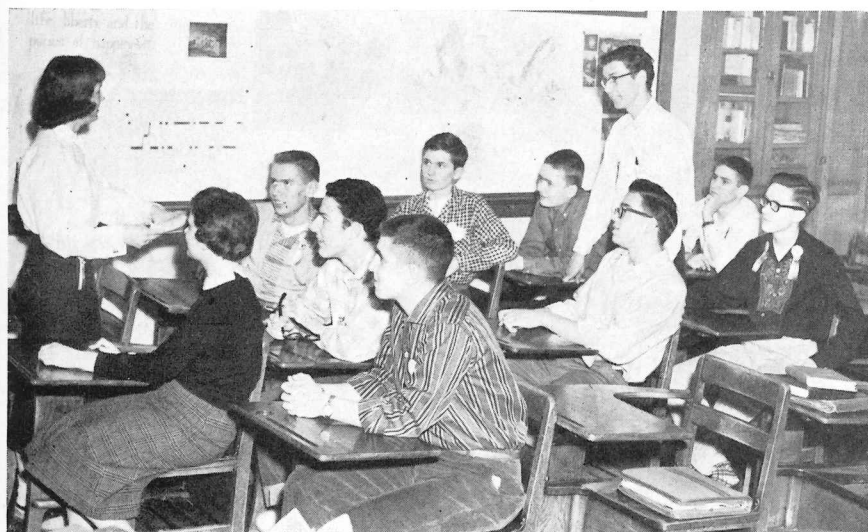

The Debate Club, organized to develop an interest in public speaking and to help students better understand logical arguments, is coached by Miss Patricia Litsheim. The club, forming teams, competes against other schools in invitational debate tournaments.

Declam, under the direction of Miss Beverly Lusty, is open to those interested in interpretive reading, extemporaneous reading, and declamative sections of speech. Winners of the school declamation contests go to the league, district, and state contests, where they are rated A, B, or C.

'Our Town' Leaves

LINCOLN'S DRAMATICS students presented the Pulitzer prize winning play, "Our Town", April 4 and 6. The spring play, under the direction of Mr. George Kanzelberger, was a different type of production from those given in the past. For the first time in a Lincoln play, no scenery was used. The setting was left to the imagination of the audience.

The stage manager, Howard Oestreich, created a setting for the characters with words, explaining the play to the audience as it progressed. The production exemplified typical life in a town which, although imaginary, could be any town in the United States.

Audience in Tears

THE PEOPLE, citizens of Grover's Corners, were typical of those you might have seen if you had lived in the early nineteen hundreds. The three acts illustrated three phases of life: youth, love and marriage, and death.

The cast was one of the largest ever to appear on Lincoln's stage. The long tedious hours they practiced paid off to make their performance truly wonderful. An all-out campaign was carried out by the publicity committee. This proved successful for it drew more people than plays given recently. Credit was given to the stage crew for skillful handling of the lights.

THE VOICES of the first chorus, music from orchestra, and the colorful set all blend together to produce Victor Herbert's operetta, 'Fortune Teller' Nov. 29 and Dec. 1 in the auditor

Six members of the orchestra made up the ensemble which played for soloists and small groups. In addition to the principal roles, dancers were portrayed by Georgia Kenny, Nancy N. Bette Ohlhues, Susan Park, Elaine Traurig, and C. Zimmer. Special agents of the Count were Cerkas, James Chermak and Allen King.

The operetta was under the direction of Mr. William Jones, music department head; Mr. George Kanzelberger and Mr. Frank Novitski, drama directors; Mr. Karl Miller, orchestra director; George Kanzelberger, technical director; Max Weber, director's assistant; Charles Komosa, stage manager; Susan Park, dance director; and Mr. Frank Novitski, costumes and makeup. Sweet Music

THE ORCHESTRA members, under the direction of Mr. Karl Miller, worked long, hard hours to produce sweet music for Manitowac audiences.

This year a new feature has been added to the activities. The first three violinists, the piano accompanist, and the first cellist were chosen to form a dinner quintet. This group played for service clubs and civic organizations.

A quartet composed of Thomas Wiegand, Marion Schipper, Betty Walker and Beverly Trombla received a star rating at the festival in Kaukauna. Also receiving a star rating was Thomas Roedig for his string bass solo.

The orchestra participated in the Midwinter concert February 3, and again in the Spring concert, May 16.

HIGHLIGHTING the band activities of the past year was a production called Bandarama. The student pop concert featured a tulpso beat, a trombone trio, selections from "Fair Lady", soloists, buglers and much other fine music. The Bandarama was held in the auditorium March 28 and was open to the public. The lighting effects and publicity also contributed to its success.

The pep band, also under the direction of Mr. Conrad Daellenbach, cheered the football and basketball teams on to victory at home.

The band members spent a lot of time in the new band room, practicing hard for the March winter concert and the Fox Valley-Lakeshore Band festival April 13. There they show their ability as a band and as individuals.

THE CANDLELIGHT procession by the 80 members of the first chorus which opened the Christmas program this past school year, was a highlight that will never be forgotten. The chorus also did a magnificent job putting on this year's operetta. The students were all treated to this harmonious group at the chorus lyceum and the public enjoyed them at the Midwinter concert, February 3.

The Lincoln Singers, a newly organized group of selected superior voices, has been active in entertaining both Lincolnites and out-of-school groups. They have had a considerable number of engagements and performed them all well.

Accompanying the Lincoln Singers and the first chorus throughout the year was senior Kaye Stanzel.

A VARIETY OF sweet melodies have marked a successful year for the second chorus. This chorus, mostly made up of sophomore boys and girls, also is a training group for membership in the first chorus. Considerable time is spent teaching the students to sing correctly and fundamentals of music is stressed. Opportunity is given for considerable work after which outstanding voices are chosen to enter in class C at the annual music festival. Pictured left are those chosen to attend this year's festival.

When too many students have enrolled in the chorus, they are assigned to the Girls' Glee club. Their activities are the same as those of the chorus, and they sang with them in the Midwinter and Spring concerts.

Divot Diggers Set School Record

RECORD SETTERS AND LETTER WINNERS, left to right—Kent Peitersen, Rodger Wedell, Bill Hackbarth, Bob Weinert and Paul Fischl

THE HARD-HITTING Lincoln divot diggers highlighted their successful season by toppling the school team record. While crushing 44 of their opposing teams, and being bumped by only 17, they took third place in the most star-studded conference ever, qualifying easily in the sectional, and notched 11th place in the state.

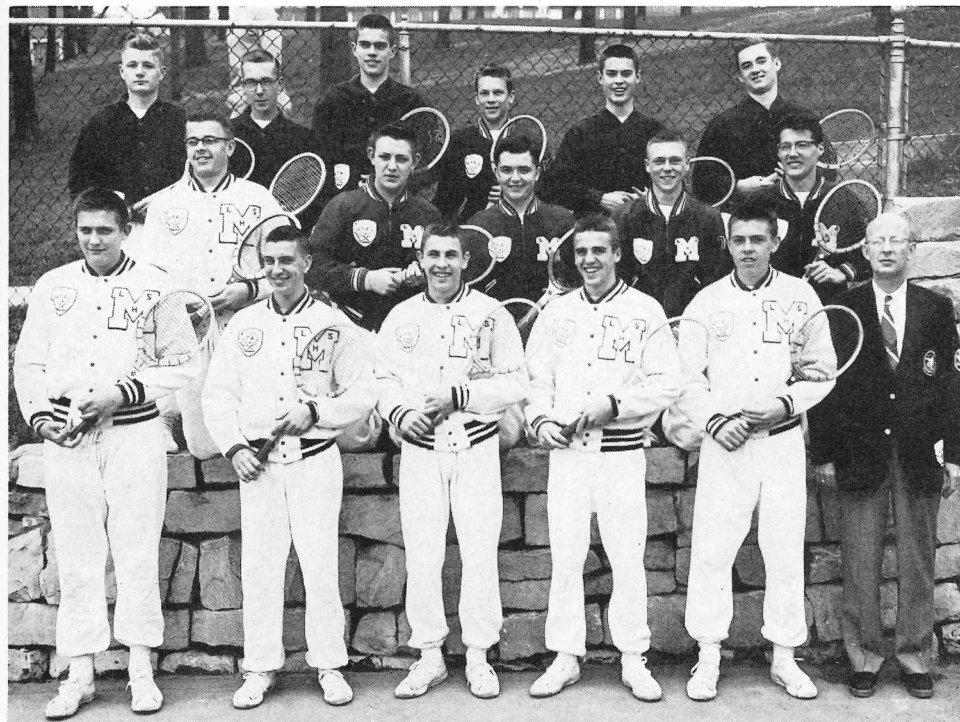

Paced by Kent Peitersen and Bob Weinert, juniors, the Ships whipped both Green Bay teams, while chopping the 5-man team record of 39 originally set in 1951, by one stroke. Scores for the record setting day were Bob Weinert—72, Kent Peitersen—78, Bill Hackbarth, sophomore—his best of the year—79, Rodger Wedell, senior—80 and Paul Fischl, junior—86.

Low rounds for the year were Weinert's 72 and a 74 by Peitersen. The low nine-hole round was 34, also copped by Weinert.

LINCOLN'S racketeers smashed their way to a terrific season record of 9-2, grabbed third in the State Sectional tournament, and won fourth place in the conference meet. Paced by Manty's contribution to the state meet, Albie LeClair, sophomore, and ex-conference champion, Tom Winter, junior, they racked up nine consecutive wins before running into trouble. The Ships rounding out the alternating first team were Tom Frieder, junior, Brian Eisner, sophomore, John Nelson, senior, and John Manske, junior.

Lincoln's team will have five lettermen returning but will miss their outstanding coach, John M. V. Stevenson. Co-captains for '56 were John Nelson and Lloyd Hoeffner, seniors. John Manske and his assistant, Dick Schroeder, sophomore, carried out the duties of manager.

Hard work gave Bob Burtard third in the state low hurdles.

Nick Geimer practiced broad-jumping in preparation for the state meet.

Set Records

THE THIN - CLADS, although loaded with flying feet and muscle men, never clicked when the blue chips were down. "A poor season for the material we had," was Coach Bill Barringer's comment of the season's outcome. The Ships finished eighth in the conference meet and third in the sectional. Even with a mediocre team record, Lincoln had several outstanding individuals.

Greg Ripp, junior, heaved the shot put 49' 11" to a school record, and Kent Christiansen, senior, tossed the discus 155' 8" for a school record and 146' for a state sectional meet record. Nick Geimer, senior and captain, set a three year scoring mark of 204 ½ points, and Bob Burtard, junior, took third in the low hurdles in the state meet. Bob fell short of the school one year scoring record by one point.

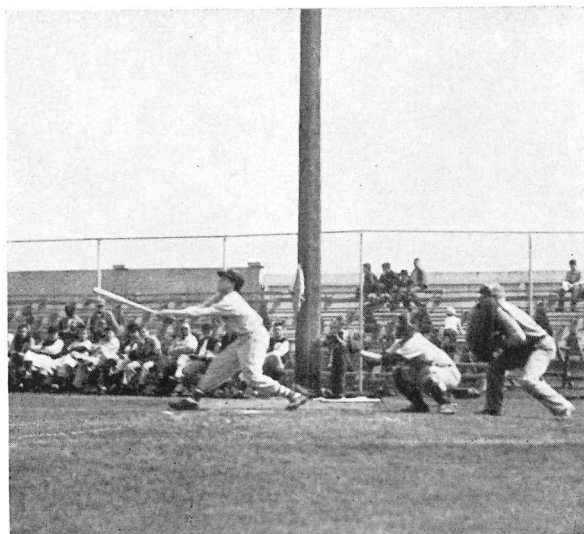

Greg Ripp, school record setter, heaves the shot put.

Ships Storm Diamond Tourney

A Lincolnite hits a long drive past the right fielder.

THE WOOD-CHOPPERS had a slow start but once they hit the tournament trail they really flew. Ignited by a sparkling no-hitter thrown magnificently against Reedville, 6-0, by Leon Nickisch, junior, the diamond boys smothered Two Rivers, 6-1, and tripped Algoma, 3-1, before dropping heartbreaker to Pulaski, 1-2, shoving the Ships out of the tournament. The overall season record was a presentable 8-7, though during conference play, they compiled poor 1-6 record.

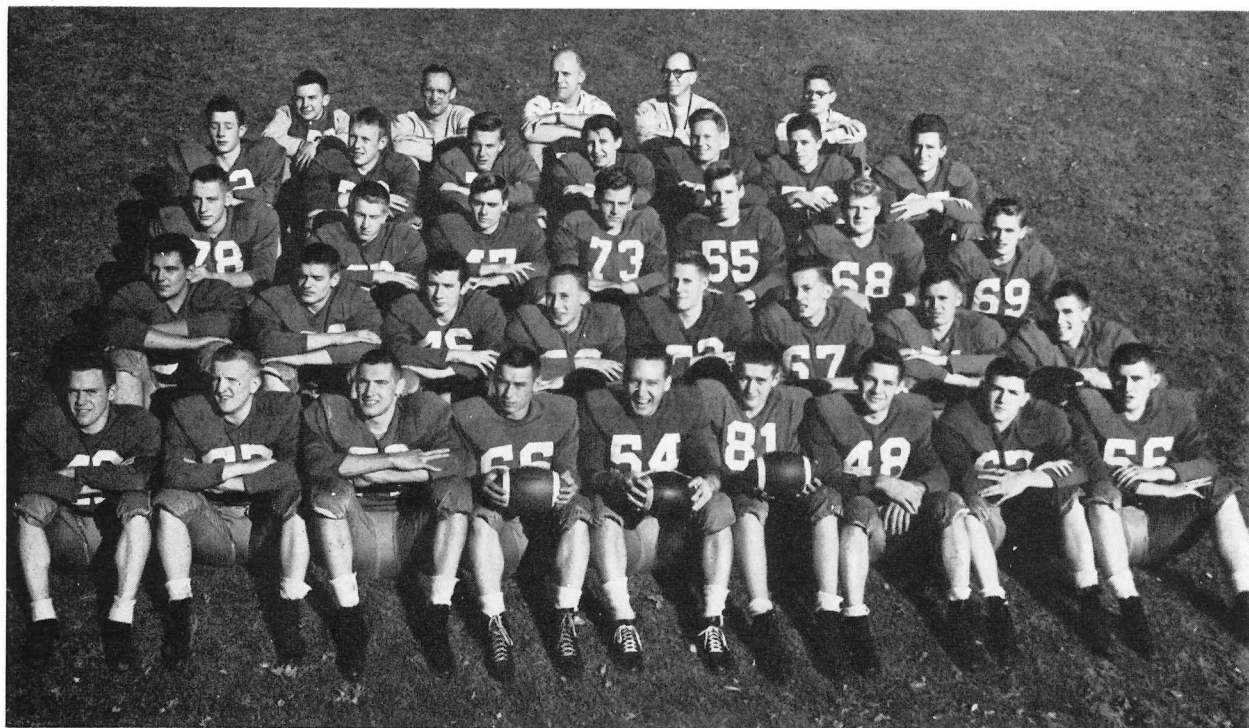

Heavy-hitters of the season were Bob Engelbrecht, senior, .333, Roger Dickert, senior, .320, and Pat McGlin, junior, .304. Bob Nelson, sophomore, and Dickert led in R.B.I. with 6 each. Other special honors went to Dickert who was elected Captain and tied with Jerry Staudt, senior, for Most Valuable Player. Bob Scherer, sophomore, was nominated Rookie of the Year.

THE GRIDDERS were in contention for the Fox River Valley Crown until the dying minutes of the final game. Finishing third in the conference with a respectable three wins, two losses and two ties, a victory in the final Appleton game would have given Manty a tie for first place. But undermanned and short in brawn, the Lincolniters dropped the crucial game 32-7.

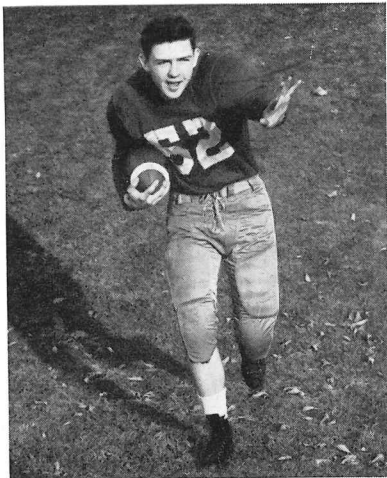

Manty, short in quantity of players, was exceptional in quality of players. Two fine quarterbacks piloted the team throughout the season. Albie LeClair, junior, and Bob Shaw, sophomore, sparkingly handled the quarterbacking duties. The guard positions were exceptionally well taken care of by Larry Cherney, senior and captain, and

Bruce Leiker, senior. Six capable halfbacks rotated their duties, headed by Jerry Meister, senior and Most Valuable Player.

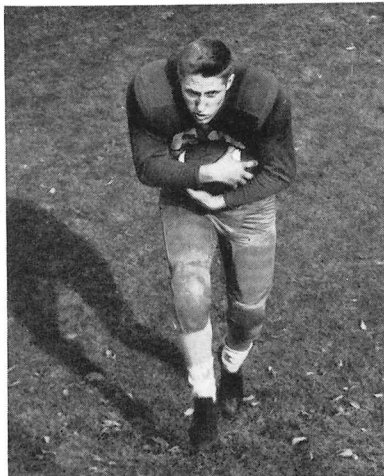

Bob Rocklewitz was elected captain for 1957.

THE JUNIOR Varsity gridders placed second in the conference, piling up 5 wins against 2 losses. The Lincolmites overpowered their opponents 94 to 27. Remarkably, both Green Bay teams were handily defeated, a feat in itself. An abundance of exceptional talent is expected to rub off on next year's varsity football team.

THE BASKETEERS closed the conference season with a sharp 9-5 record and a second place tie tucked neatly away. This was the first time any team won, or even tied for first place in the conference, with four losses.

In the State Sectional tournament, Manty breezed by highly rated Sheboygan Falls, 59-51, before being dumped by revengeful Sheboygan North, 68-54.

Several school records were set by the sharp-shooting of All-Conference and All-State third team, Greg Ripp, senior. Ripp scored 38 points against Green Bay West to set an individual game record. Two more records were capped as Ripp stuffed in 420 points for the season and 301 for conference play. Greg also led the team in snatching rebounds and was selected Most Valuable Player.

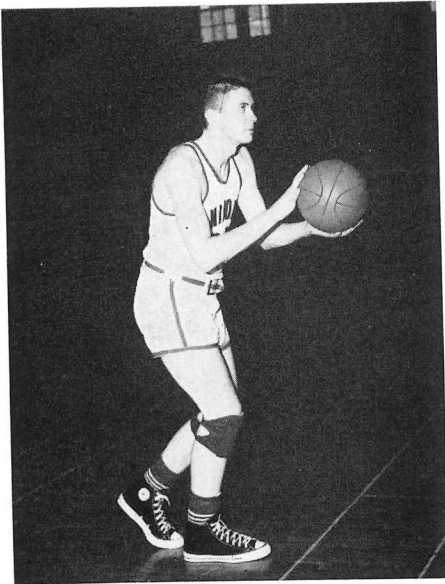

Tom Mix, senior, made Honorable Mention All-Conference for his outstanding ball hand-

ling artistry. Leon Nickisch, senior, was elected captain. Bill Nelson, junior, paced the Ships in free throw percentage.

THE GRAPPLERS completed a successful season with a 5-5 record, third in the State Sectional tournament, and fifth in the Valders Invitational tournament. The Ships sent four musclemen to the State Tournament; Duane Bull, junior, 128-pound class, Neil Leitner, junior, 112-pound class, Larry Maloney, junior, 120-pound class, and Captain Gale Hoyer, senior, 155-pound class. All were eliminated in their first round matches.

Gale Hoyer and senior Grant Hartman finished the regular season undefeated.

Mr. Barringer was satisfied with the season's outcome. He commented, "Wrestling at Lincoln is new, and we're growing and getting better all the time."

A bright future is anticipated, for Lincoln's "B" squad grapplers took first in Manitowoc "B" Squad tournament.

As Our Aim

GA A , GIRLS Athletic association, sponsors the intramural program for high school girls. It is governed by an advisory board composed of the officers, homeroom managers, and Miss Frances Ritchie, dean of girls and physical education teacher, who advises the group. Each freshman homeroom elects a manager in the spring of its prospective sophomore year. These managers serve for three years. The Officials club helps to organize and officiate for the various sports.

With each season there is a variation in sports. Fall brings archery, speed-a-way, a treasure hunt outdoors, and a tournament in checkers, chinese checkers, old mill, and ping pong. In winter the girls play basketball, volleyball and badminton in the gym. The girls participate in track and softball in the spring.

The goal of each girl is to accumulate 1500 points for the "M" award or 500 points for the triangle over a three year period. Girls who do not qualify for either of these have the satisfaction of cooperating for fun.

Weeks of wet hair, practices after school and evenings, designing sets and making costumes came to a climax as the pageant was presented March 7 and 8.

Loyal Hearts Cheer

AS A RESULT of the Pep club's activities, Lincolniters were ably led in cheering their teams on to victories. The cheerleaders taught the fans new cheers and aroused their enthusiasm.

Homecoming and Red-White day are big events for the club. "Friend or Foe, East Must Go" became the cry as the Pep club sold booster buttons for Homecoming. Through the hard work of the members, students from Lincoln were permitted to have a bonfire in Red Arrow park.

On Red-White day, the halls became a blur of red and white as students walked to classes loyally dressed in Lincoln's colors. The halls were gaily decorated under the direction of the chairmen chosen from the members of the Pep club.

STUDENTS interested in various phases of science joined together this year to form the Lincoln Science club. They were able to study what they were interested in, but weren't able to devote enough time to it during class periods. They worked individually or in groups on their projects. Through their hard work, they were able to send several of their members to the Science Fair in Milwaukee to enter their projects. With Miss Helene Dedrick's help, the club were able to further their scientific knowledge and have fun by working with other students interested in special science projects.

They were able to learn more about possible careers in these fields, and studied job outlooks and possibilities of advancement. Organized under Mr. Erickson, Mr. Anderson and Mr. Hansen, the club was active all year.

A large portion of the year was spent studying atomic energy and its uses. Several students from the junior high schools were invited to a meeting to demonstrate projects they were working on.

LINCOLN'S Lettermen's club became an important school organization through the hard work of its members. Although it was newly organized this year, almost every eligible boy joined. To become a member, a boy must have earned a letter in any inter-scholastic sport.

The "M" Club is devoted to attaining the highest sportsmanship values possible in interscholastic sports. They help to encourage more boys to participate in the sports offered at Lincoln. The coaches of all sports served as advisers.

THIS YEAR marked the third year of the Egan Tennis club. This club is a memorial to Richard C. Egan who was killed in the Argonne offensive during the Christmas season in 1944. Richard was captain of the 1941 tennis team.

The club is a member of the Wisconsin Tennis association and the United States Lawn Tennis association. It is open to both girls and boys, but members of the tennis team are required to belong.

During the school year, the members learn the rules of tennis and umpiring. If they pass all five tests they qualify for umpire's cards.

Along with spring comes the moving out of doors of the club. All meets for the Lincoln high school team are umpired. The club is also responsible for running all city meets because it is jointly sponsored by the Board of Education and the City Recreational Board.

For many years a specially trained group of umpires has gone to Milwaukee in July to umpire the state tennis finals. Mr. Robert Deubler, tennis coach, is the club's adviser.

USHER'S CLUB is composed of members of all three classes at Lincoln. Thirty girls are selected in their sophomore year to join the club. The officers choose them on the basis of neatness, personality and grades. A girl remains a member for all three years provided she maintains a 2.5 grade average and upholds Lincoln's standards. New members are admitted when vacancies occur. Senior and junior officers choose the sophomore officers and executive board who hold their office for all three years.

They then choose the new members.

Mr. James G. Magill is in charge of the group. Ushering duties are performed at all school performances. Each class ushers several times a year. The club is also called upon to usher at all civic performances held at Lincoln.

In performing these ushering duties, the girls give a service valuable to Lincoln High school. They eliminate all confusion before performances by efficiently handling all seating and tickets.

STUDENTS needing help finding books or research material were helped by the efficient library board. Under Miss Hannon's and Mr. Straub's direction, several students helped in the library each period of the day. In fall they sponsored a tea for Lincoln's faculty. They are essential to the smooth running of the library system.

This year's library board was the first to work in the new library. They helped the librarians check books in and out and arranged the shelves. They helped mend ripped books and did filing. They also helped with the record file that was enlarged this year.

Looking Toward Future Years

GIRLS LOOKING toward future years realized the need for planning a career. Those planning on going into the business world formed the Commercial club. They learned new methods of secretarial work and studied employment procedures. Mr. Gaylord Aplin, commercial teacher, was the group's adviser.

The Future Teachers of America club provid-

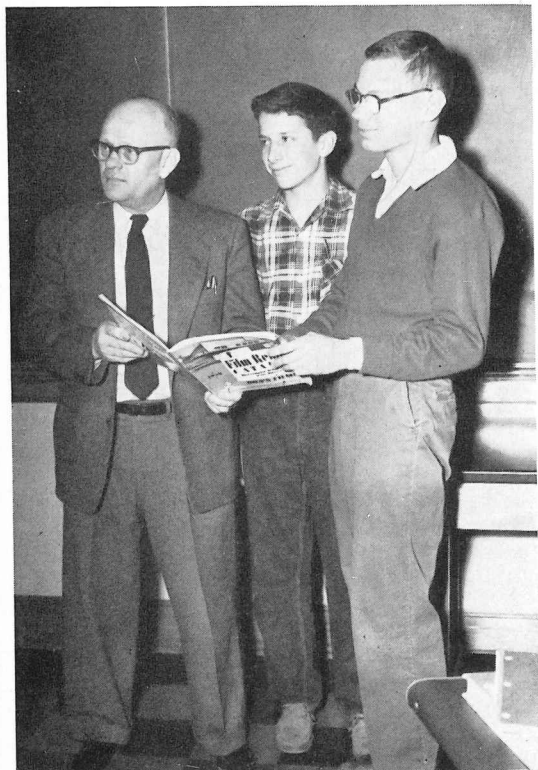

ed girls with an interest in making teaching their career a chance to find out all aspects of the job. They were able to tour colleges they were interested in attending to gain all the information possible.

Through these clubs, the girls gained knowledge to help them decide on their future plans and prepare for them with their friends.

Rex K. John, Principal of Lincoln High School

Lincoln Bids John Farewell

WITH THE class of 1957, Rex K. John brings to a close his final year as principal of Lincoln high school.

Mr. John came to Manitowoc in 1921. He was principal of Woodrow Wilson junior high school for five years, assistant principal of Lincoln for 14 years, and has been principal for 10 years, assuming the position in 1947.

As assistant principal, Mr. John coached football, basketball, track and baseball, and today in his spare time, he is still an avid sports enthusiast.

ABOVE — Mr. John gave some basketball advice to his two sons, Rex Jr., and Richard, when they were on the team.

WITH HIS many pressing duties, Mr. John has little time for family life and his four children, Rex Jr., Richard, Lenore and Margorie.

Changes have taken place at Lincoln since Mr. John's coming. New teachers have replaced others, a new wing was added to the school building and the student and foreign exchanges innovated. The changes will continue, but without Mr. John.

Therefore, the Flambeau staff dedicates this special section to our retiring principal and wishes him the best that life can offer.

BELOW — Mr. John takes time from his busy schedule to counsel Lincoln students on student activities.

To Learn We Travel

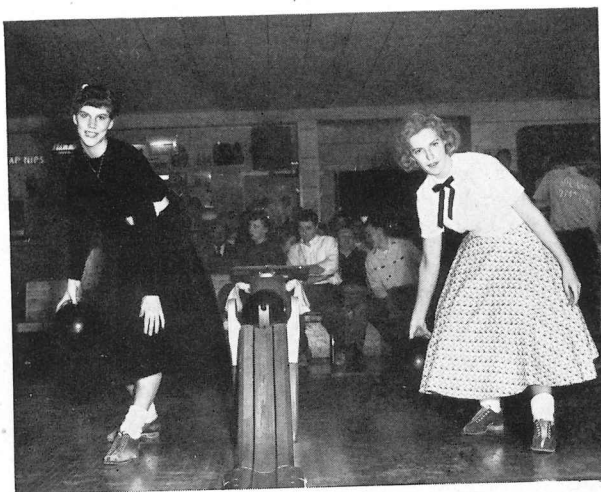

SIX YEARS ago, thirty students from Macon, Georgia journeyed north to Manitowoc on the first lap of an exchange program initiated by Mr. Angus B. Roth, Manitowoc superintendent of schools.

Since that time, the student exchange has grown into a regular part of Lincoln's activity program. In previous years, successful exchanges have been completed with Roanoke, Virginia; Wayne, Pennsylvania; Jackson, Mississippi; Baton Rouge, Louisiana; and this year with Little Rock, Arkansas.

The main purpose of the exchange is to promote understanding of the differences in culture between North and South. However, students return home with their visit with fond memories of new friends, a new perspective concerning the problems facing that part of the country and a better geographical knowledge of the United States.

Any junior or senior is eligible providing he has a C plus average, is financially able to make the trip and can entertain a guest in his home.

Representatives are chosen from the Student Council and publications. Those applying who have straight A averages are automatically chosen. The remainder of the group are chosen by lot.

CENTER — Judi Cooper of Manitowoc and Kay Selph of Little Rock spent an afternoon bowling.

CONSERVATION in action is the purpose of the Trees for Tomorrow camp held annually at Eagle River. Twenty Manitowoc students and a chaperone along with students from other parts of the state visit tree nurseries, fish hatcheries and saw mills during the three-day period of instruction.

Five areas of conservation are covered—soil, water, forestry, fish and wild life. The instructors, experts in their field, brief the students beforehand on the material to be covered on field trips. Students may be asked to identify all the trees in a certain area or to recognize signs and associate them with animals.

Students chosen for the camp are in the sophomore biology classes. Those with at least a C plus average who are able to finance their way are eligible. Selections are made on the basis of scholastic aptitude and personality standards.

Organizations Win Approval

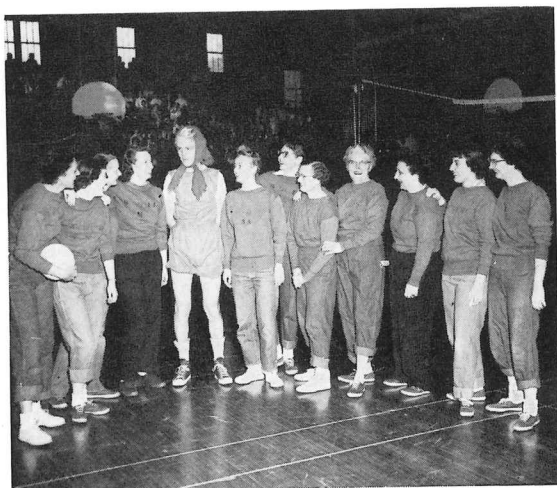

MEMBERS OF THE Teachers Memorial Scholarship association have worked hard raising money. This year a scholarship was awarded to Beverly Drumm as a memorial to Miss Gertrude McCauley.

Basketball-schedule pencils were sold by the group. Proceeds from the teachers' volleyball game and Mardi Gras dance went into the fund. TMSA consists of teachers, students and interested people of the community.

Lincoln has been privileged to have students from many other countries attending classes. The foreign students come to us through the American Field Service. Qualifying students from the U. S. can spend a summer in Europe under the same program.

The AFS group acts as a hospitality committee for the exchange students. They sold Christmas cards and gave a dance for the benefit of AFS.

Vocational Classes Attract Students

THOSE INTERESTED have a chance to take part in the new retail selling program. Students take the required academic classes in the morning. In the afternoon they are employed in local department, food and clothing stores. They learn the fine points of retail selling at classes held in the vocational school two afternoons a week.

Through this program, students can earn the credits necessary for graduation and still hold a part time job. The business experience gained is valuable whether or not they decide on a selling career. The retail selling course is offered only to seniors.

Many Lincolmites also take advantage of the printing class offered at the vocational school. Classes for which there is a demand such as typing, shops and art are offered for several weeks during the summer.

Classroom Activities

One of the activities of the home economics department was entertaining the freshmen girls at a tea and style show.

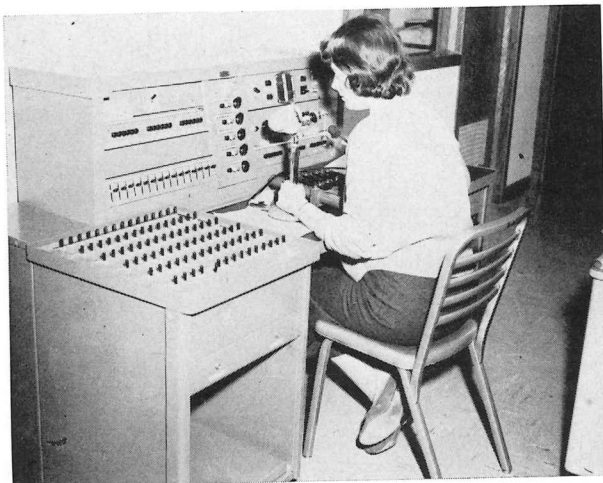

LINCOLN CAN boast of offering a wide variety of classes to its students. They can gain the basic knowledge for their own particular vocational interest.

Classes include much more than reading books and outlining chapters. Students have a chance to actually participate in special activities. Field trips and speakers add to science classes. Boys in the shops can build electrical apparatus, construct things and work on their cars. English students enjoy movies and acting out parts from their reading. Biology classes dissect specimens and collect objects of special interest.

LEFT — An office worker, Mrs. Lyle Daug, calls dents on the new PA system.

ABOVE — Art students work on their oil painting jects in class.

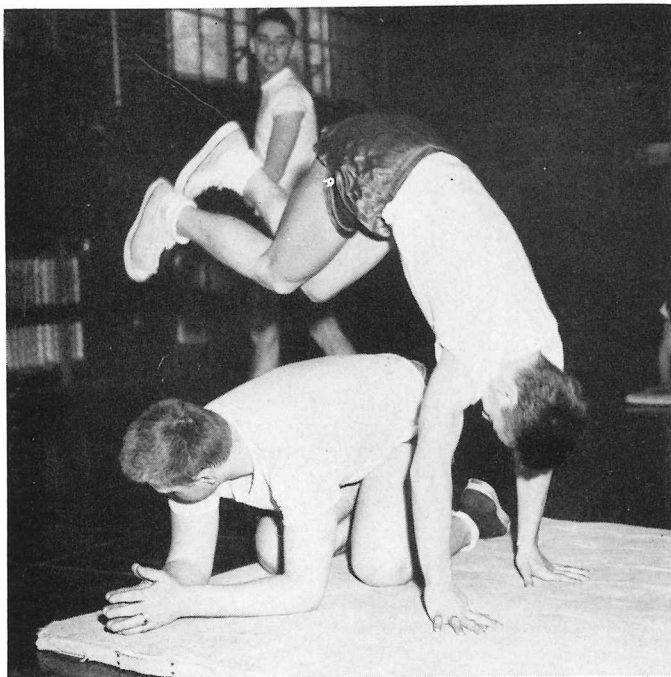

Hold Students' Interest

MANY extracurricular activities are related to classroom work. The band, chorus and orchestra participate in music festivals and special concerts as an extra activity. Through the gym classes, girls become interested in the GAA program, while the boys are encouraged to go out for varsity athletics. Speech students can take an active part in the many dramatic productions held at Lincoln. Those enrolled in journalism have an opportunity to work on one of the three publications.

It is certain that there are a countless number of both classroom and outside activities for those who take advantage of the opportunities offered them.

A Good Teacher

Mr. Rex K. John, principal of Lincoln since 1947, announced that he is retiring this summer. He has been a teacher for more than forty years.

BELOW — In addition to being dean of boys, Mr. Rufin Boyd has special responsibilities for sophomore boys. He is in charge of specific administrative matters and the activities program.

ABOVE — As Lincoln's dean of girls, Miss Franceschie serves as counselor, friend, and teacher. She is head of the Girls Athletic association and physical education teacher.

Does More Than Just Teach

MR. REX K. JOHN, principal at Lincoln for ten years, received a B.A. degree from Otterbein college and an M.A. degree from Northwestern university.

Mr. Rufin Boyd, assistant principal, also serves as dean of boys and teaches music appreciation class. He has B.A., B.M., and M.A. degrees from the University of Wisconsin.

Guidance director, Mr. Edwin Erickson, is head of the student council and a chemistry teacher. He received a B.A. degree from Northland college and an M.A. degree from Northwestern university.

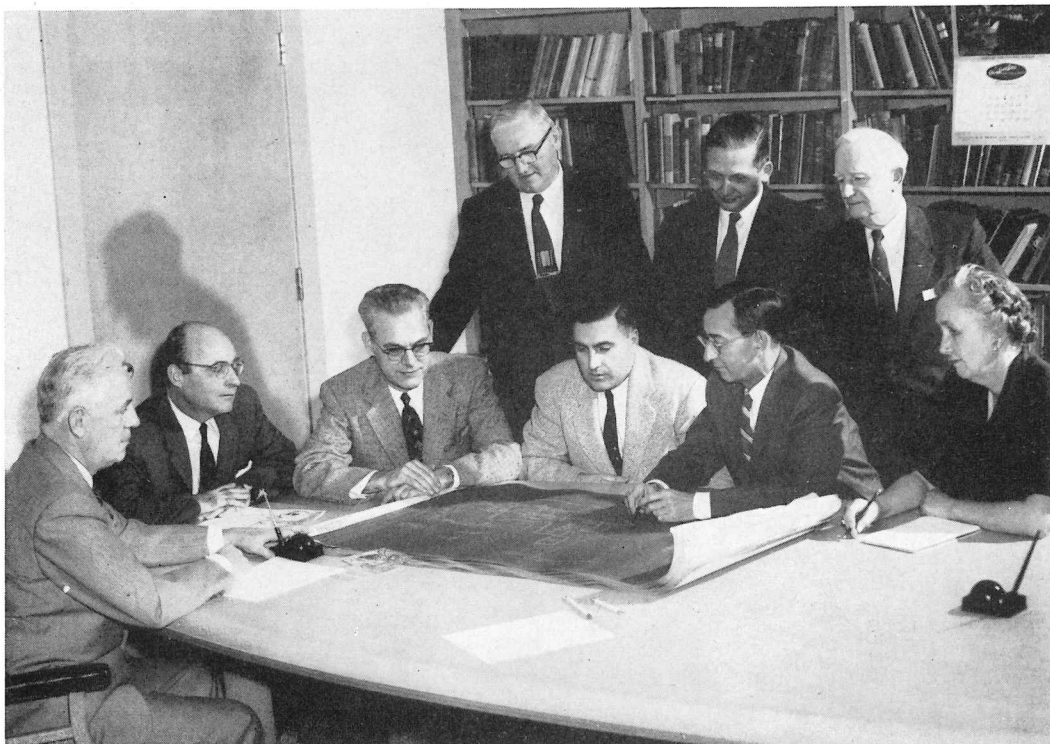

Dean of girls, Miss Frances Ritchie, teaches physical education and is head of the Girls' Athletic association. She has a B.E. degree from LaCrosse State college and an M.A. degree from the University of New York.

As guidance director, Mr. Edwin Erickson, serves as a counselor to students and adviser to student council.

EFFICIENCY in the cafeteria kitchen and a responsible staff working together give Lincoln students the well-balanced meals they receive throughout the year. Besides preparing noon meals for Lincolniters, they also prepare the food for the cafeterias at the junior highs.

Mrs. Charlotte Klinkner, matron and custodian looks after the needs of the Lincoln girls and takes charge of the newly-remodeled first aid room. Lincoln's capable crew of ten custodians has efficiently cared for our school throughout the year. Keeping corridors, halls and classrooms clean is a job which Lincoln students appreciate.

Students having speech defects are helped by Miss Ann Guenther, speech correction teacher, every Tuesday afternoon. Along with these fine workers, credit should be given to the efficient office workers.

VICTORY—Chairmen give their decorations a last, satisfied look before taking them down.

LEFT TO RIGHT—Caryl Timmers, Mary Ann Newberg, Susan Park, Joan Christel, Marian Schipper, Barbara Rugowski, and Laurie Sheehy.

PREPARATIONS for Red-White day began many weeks before the big event. Committees were called together for decorating and for the dance. The gym remained lit up late into the night where the team practiced. Cheerleaders' voices echoed through the halls as they rehearsed and tried to synchronize their gestures. Girls could be seen rushing around through the halls shoeless and with paint-smeared hands and faces. At home a few ambitious Lincolniters busied themselves with needle and thread sewing together their most vivid shades of red and white for "something different" for the day.

Finally, the day started off with a snake dance through the halls. Chairmen were seen scurrying around again putting up the decorations that had fallen down overnight. The big day was climaxed with a victory over Sheboygan Central 67-45, followed by the dance.

A Job Well Done, Sophs

Miss Joanne Fritz and Mr. Courtney Leonard, sophomore class advisers, discuss the sophomore plans for their homecoming float and the class dance.

YOUR YEAR of excitement began early in the fall when you entered Lincoln. You gazed about in wonderment at so many students and the size of Lincoln, but soon you became well adjusted to the whirl of Lincoln's functions.

The first job which confronted you was to choose your leaders. After much campaigning you voted for your favorite candidates.

At Homecoming, you proved your ability to work together as a class. You presented your first skit and built your first class float which won the class second place in the competition. That made you extremely proud, didn't it?

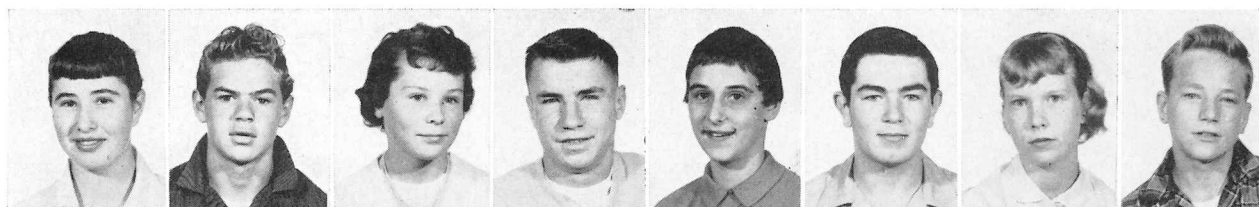

Some of your classes will long be remembered for the experiences you had. Remember the time in biology when you had to dissect frogs? For many of you it might have been hard to part with those little pets which you had given names.

Your biggest project was the dance you presented on May 17 for the junior high schools. You did a great job entertaining them.

Now the year is over but you still have your happy memories and your new friends.

SOPHOMORE CLASS OFFICERS.
Standing, Robert Shaw, president.
Sitting, Row 1, left to right — Judy Reichert, secretary, and Rosemary Daellenbach, treasurer.

WITH A BACKGROUND featuring a Roman garden, Duane Bull, in a baby blue dinner jacket, crowned Patricia Young, who wore a white nylon and lace waltz le formal, queen of the 1957 Prom.

The theme "Loveliest Night of the Year" was carried with a garden effect. The walls were adorned with fount trees, white iron benches, flowers and shrubs. The entr wall featured trellises with climbing roses. Howie Bowie his band set the music mood for this unforgettable night.

Richard Schroeder, general chairman, and the class advi Miss Marjorie Meredith and Mr. Frank Granitz, added work and talent to make this year's Prom a memorable e

A Successful Year Lies Behind You

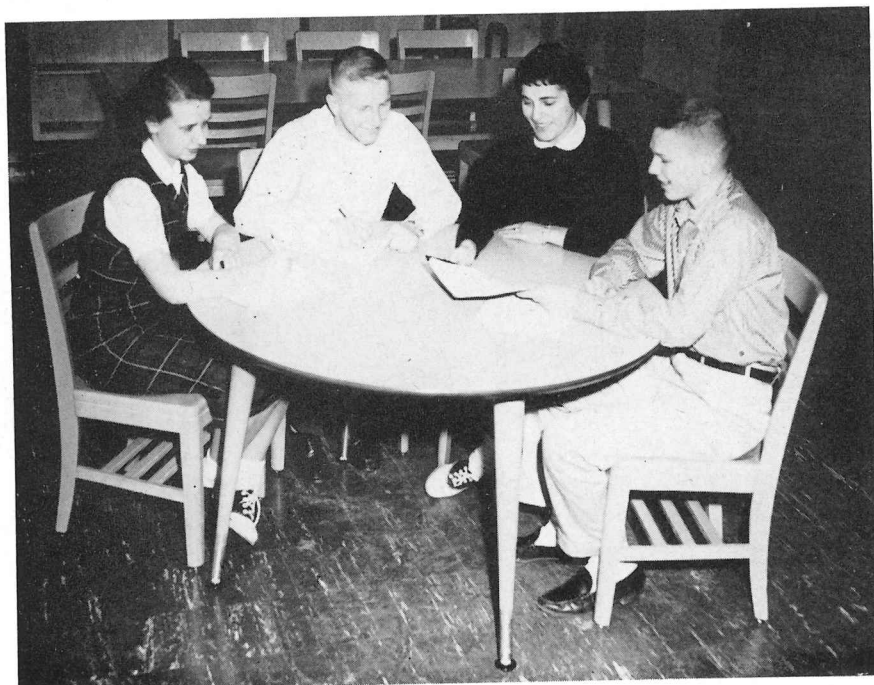

ABOVE — Mr. Frank Granitz and Miss Marjorie Meredith, class advisers, discuss the Junior Prom plans.

THIS YEAR as juniors you worked hard together in a group to give Lincoln several memorable events. On November 9 you presented your class dance entitled "Autumn Leaves." During the performance you foretold the future of several of your classmates, all of which were very humorous.

Your "Loveliest Night of the Year" on April 26 — the Prom you had so patiently anticipated and worked so hard for. You will long remember beautiful decorations that adorned the gymnasium walls. It was like a Roman garden with its ivy vines and spraying fountains. No doubt you'll always remember Queen Pat Young and King Du Bull and how graciously they reigned.

Do you recall Homecoming? Everybody worked together so hard to make the class float. It was a mammoth white paper maché drum with a devil inscribed on it. The theme you chose was "We'll beat the Red Devils." Just before the parade you had a "devil" of a time getting the drum out of your workshop. Even though you placed first you'll enjoy thinking back to all the good times.

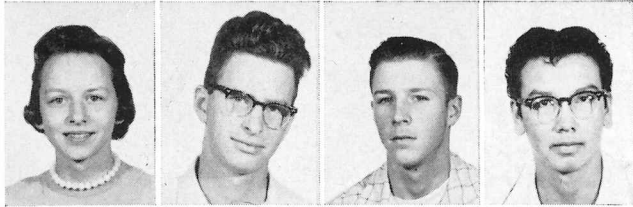

Yes, this year did pass quickly, didn't it? You still have another year to go, another Prom to attend and another Homecoming for which you'll work harder to win first place. With the end of this year you have begun to take on senior responsibilities.

Ist Das Nicht Fine Senior Class

JA DAS IST FINE senior class! You took first place honors with "We Panda-Win" for the class float and a clever class song in which the whole class was able to participate. With the help of the Junior Chamber of Commerce you were able to have a snake dance and a bonfire, which was enjoyed by all.

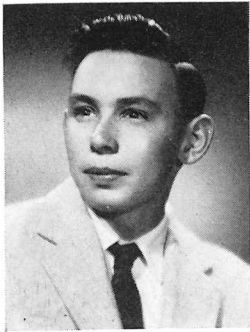

With the Ships coming through victorious over East 7-3, enthusiastic students ripped down the goalposts. Queen Pat Fidler and King Kurt Dramm truly enjoyed "Miracle of Fall," the '57 Homecoming

Barbara Patterson, senior cheerleader, led the cheers on the senior float, "We Panda-Win".

While Bruce Leiker was thinking of the game, Tom Manlick, Jerry Dick, Tom Frieder, Jerry Harpt, Bob Schmidt, Tom Mix, Jim Nemec and Bob Wicklander had fun decorating his car.

Hi Spider,

Maybe I should call you Mary, but Spider is my name for you. At last we're seniors. Golly these years went fast. Remember Spanish class. We all really gave Mr. B. a hard time. And home room was a place of more fun. First year bookkeeping was a ball.

Remember the times I played Ann Landers to you, when you had trouble with Faddie Eddie, and second year bookkeeping was a scream with all those noisy boys and of course dear Richard. He's nice, and I know you agree one hundred per cent. We really gave poor Richard a hard time. All those interesting letters we exchanged and all the letters of mine you read. My, you know more about my life than I do. Well, time is running out, we must

Sorge Ice Cream & Dairy Company

do some interesting stuff this summer. Loads of Luck to a real good friend and a favorite bookkeeping partner.

Hi Spider, (Fred)

Well, this is the last year we'll be ~~writing~~ in one anothers flambeaus so we'd better make this a good one. Gee whiz in a few days we be marching down those steps and into the future. I wonder what it has in store for us. I hope its good. Just think maybe someday I'll be calling you Mrs. Orth instead of Mary Curanto. Maybe I'll be Mrs. Rockefeller. Hah Hah. So much for the jokes. I sure am going to miss you and your crazy jokes. But I hope we get together later on. Then we can make up for the time lost.

Well I'm getting all choked up so I'll come to a close by wishing you all the success & happiness to a real sweet kid.

Well, this is it. Took awhile but we made it.
Guess I'll never forget the fun we had in study
hall, well home room, 215, Rank, Rat, Rabbits.
All the luck in the world, don't rob the bank
and remember, we're takin' a trip in about 5
years. All expenses paid by you of course.

Hope to write to you.

Dear Mary,

I don't know if this is going to be long or short it all depends on what I think of after I get started. See See Let's see It all started this year in Band, really.

We were sure we were going to be Graduation partners, so we sort of stuck together all the rest of the year.

I'll never forget the nights we went to Marine Band Practice. Just to see Chuck Hatha. The times we played for football games in the cold and all. I think you are really the Best Friend any Girl could have, and I hope you are always my Best! Just to think we have never had a fight yet. "That's Good man that's good" Also I have been able to tell, and trust you with things I never would anyone else. Ah yes this is a Good Friendship and I know it will always be.

I can't wait to have you for my maid of honor when ever that may be. Well I have used up a page so I better stop. Be Good, and the best of luck in the years to come.

The Flambeau staff wishes to thank the townspeople, craftsmen, teachers, and the student body for the courtesies and co-operation extended to us during the year. We would like to thank the Herald-Times, Color Craft Printers, Carlton Studio and our patrons especially. We are also grateful to Daryl Cornick and Glenn Heide.

Hi Spider,

Well we sure had loads of fun these last years. There is
wonderful to be out though. Good old Egg last class, what
a class you and old brain and me just and average
dumb bell. Where did you get all those brains anyway,
at least you could have given me just a little. We
have to play tennis together again this summer. Lots
of luck to a great big cheater at cards.

Hi, have you in
didn't have you in
my classes this year huh
I still got to see you.
None a real nice summer
I take it easy. Lots of
luck & success. Lots of
dislike. Love

Congratulations
are and you in order
them. This will
be my first graduation
or your last. Best of
luck always. Louis Hoyer

Hi Mary,
Remember all the
fun in Cafeteria? Everyone
fighting over chairs. Remember
all the goofing off we did
at the Noon Movies?
Lots of Luck - you deserve it!

Hi Mary,

Old Reg
school days sure
were great. Lots
of luck in the future.

Hi Mary at the Bant?
Are you with your girl. Good.
Hope you all your girl. I wonder what
Baker will do without Allen in?
Bant D.

Hi Mary
Keep on playing
that French of yours. I wish they
would let you play it. I picked near
to master it. I hope it says then so
or soon. Aunt Pearl

is the best
French Horn player
at Lincoln. It was
fun being in Band.
Good Luck always.
Lorie Daellenbach

Hi Mary
Lots of luck
in the future
